

Balmoral Swim for Cancer 6th April 2025

Schools Relay Results

The Schools Relay for 2025 was held in beautiful conditions this year. Held on the first day of the transition from daylight savings, it meant an extra hour of sleep for the competitors and volunteers.

We had a record number of registered participants this year across 11 schools (Ascham, Monte, Mosman High, Mosman Prep, Pymble Ladies College, Queenwood, Redlands, Riverview, Shore, St Aloysius and Wenona). The 505 swimmers registered, an increase of over 150 on the previous year was a wonderful achievement, and comprised of 176 junior swimmers, 185 Intermediate swimmers and 144 senior swimmers.

By the morning of the swim, the eleven schools had collectively raised a wonderful \$23,045 for the Children's Cancer Institute, but the schools all requested fundraising stay open another week, allowing the total to increase to \$27,635. At nearly \$55/swimmer this was a lot less than our target of \$100/swimmer, however, some great achievements must be noted:

1. The 178 Riverview students raised a total of \$14,620, or more than \$82/swimmer, which was also more than half of all the schools contribution;
2. Mosman High raised, with just one team, a brilliant \$1,050, representing more than \$262/swimmer!

The Feyder Cup (formerly known as the Charity Cup) was awarded to the school who achieved the highest total funds raised by midnight before the swim (instead of the previous year where it was highest funds raised per swimmer). This year, although Mosman High did a wonderful job raising \$1,050 for their single team of four swimmers, Riverview contributed more than half of the total funds raised by all 11 schools and were awarded the Feyder Cup.

Competition in the swimming continues to remain extremely close, with Riverview, Shore and newer entrant St Aloysius battling out the top 3 places. This year, Shore retained the Challenge Shield from St Aloysius, with Riverview a close third.

Again, special mention to Riverview who have consistently supported this event since its inception. Through the wonderful efforts of Cathay Mackay, Kim Podinger from Riverview, and other staff at the school, they had huge participation and fundraising for the Children's Cancer Institute. A consistent and important contribution.

Special thanks to all those that contributed to this great event. And of course, a huge thank you to the school representatives who made it all possible:

2025 Feyder Cup

The Feyder Cup (previously known as the Charity Cup) was renamed in 2024 in recognition of the significant contribution Barry Feyder made to the Schools Challenge as part of the Balmoral Swim. It has been awarded in previous years according to different outcomes, from the individual team that made the most funds, or the school with the highest average funds raised per swimmer, and to the school that has raised the most funds.

This year, **Riverview was awarded the Feyder Cup**, given that more than half of the funds raised was from them.

Special mention must be given to the single team from **Mosman High** with a single team raising \$1,050 is to be congratulated.

For 2025, the following fundraising results were announced on the day of the event with these amounts raised at midnight the night before the race:

1st Place: Riverview (\$12,580)

2nd Place: Shore (\$2,600)

3rd Place: Redlands (\$2,450)
